

1. A - worst; very strong planing and patterned colors; low coverage
 B - second worst; strong planing but decent coverage
 C - best; minimal planing and very good coverage

2. Using 10,000 iterations:

- A) 0.45670
- B) 0.44860
- C) 0.42610
- D)

4. Using 10,000 iterations:

Both of the tests at the end of the assignment document got me similar results to the ones shown. However, I got 100% for each of the unanswered tests.

- A) 1
- B) 1
- C) 1

If, however, 5000 is supposed to be 500 then I got the following.

- A) 0.44550
- B) 0.68390
- C) 1
