## Objective

To develop my skills and abilities within a productive, friendly atmosphere by using the knowledge and experience I already posses. One can never learn enough, or practice too much. Solving problems has always been something I find engaging and invigorating.

## Education

- South Dakota State University, Brookings, SD
- Bachelor's of Science | Current | Expected May 2021
- Computer Science

## Experience

October 15$^{th}$, 2015 – August 16$^{th}$, 2017
General Merchandise Teammate | Shopko | Sioux Falls, SD

I developed interpersonal skills by interacting with both customers and coworkers very frequently. Time management and independence were very valuable skills to have in every aspect of the job. I spent much of my time in the Electronics department assisting customers in choosing and understanding what product was right for them.

## Skills

- Excellent Communication Skills
- Very Fast Typing Speed (~80 word/minute)
